

PRESS RELEASE

Teufel

MOTIV® HOME

Your at home sound

Understated look meets opulent audio, a wide range of streaming options and 15 hours of battery life.

Berlin, October 24, 2023 – Teufel begins presales of the MOTIV® HOME all-in-one streaming system. Stream content via Airplay 2, Google Chromecast, Spotify Connect and Tidal Connect. Also provides access to thousands of radio stations via Tune-In. The MOTIV® HOME comes equipped with an integrated battery that plays for up to 15 hours all around the house. Also Bluetooth ready so it can be taken to places without Wi-Fi signal.

- available now from the [Teufel Webshop](#) starting at 549.99 euros in black or white

Your Streams

Featuring elegant, yet simple design, the MOTIV® HOME adds a subtle touch to any interior. But turn up the volume and the streaming speaker from the house of Teufel will prove itself a powerful, substantial sounding solo performer. The MOTIV® HOME can stream from popular platforms Tidal and Spotify and is compatible with Chromecast and Airplay 2. Radio fans can use the free Teufel Home App to access TuneIn, a service providing access to thousands of radio stations worldwide. The app also allows users to program the three customizable Favorite Buttons, which can be assigned to radio stations, or any Spotify or Tidal stream. That way, your favorite music will always be just a button press away, even when your phone is not handy.

Your Favorite Places

With its high-capacity battery, the MOTIV® HOME can play up to 15 hours at medium volume. With a handle built into the case, the speaker can be carried securely and easily from room to room, up to the balcony, or up onto a terrace. Haptic buttons and manual volume wheel allow source selection, playback management and audio customization directly on the speaker unit.

Your Sound

The MOTIV® HOME packs in four wide-band drivers for high-powered audio. Bass notes are also supported by a 5-inch subwoofer on the front, as well as two passive bass diaphragms on the back. It is this combination that gives the MOTIV® HOME its big, signature sound.. Teufel has also brought into play its own in-house Dynamore stereo expansion technology. It can be activated with a button on the unit or in the free Teufel Home App to generate broad, room-filling sound meant to simulate a true stereo system.

Your App

The brand new Teufel Home App lets you configure and control your MOTIV® HOME with comfort and ease. Functions include standby timer, audio customization (treble, bass, Dynamore), assigning favorite buttons and much more. Teufel Home App available for free download on Android and iPhone.

Your Speaker

The MOTIV® HOME is available now from the Teufel Webshop in Black or White at a price of 549.99 euros.

###

About Teufel Audio

Teufel is Europe's largest direct-to-consumer audio company. Its wide assortment includes home cinema system, TV audio solutions, multimedia systems, classic HIFI, headphones, Bluetooth and multiroom speakers with Teufel's very own Raumfeld Streaming Technology. The company was founded in 1979 in Berlin developing speaker components and since then has become an acclaimed consumer electronics brand.

Great sound has always been the driving force behind the Teufel brand. Countless accolades from consumers, the press, and online media attest to its success. Only available from Teufel - Teufel products are available exclusively direct to consumer from the Teufel Webshop, online marketplaces, via our hotline, and at Teufel Brand Stores.
